

## Phase One Happens When:

- 2 weeks of declining cases
- Widespread testing
- Contact tracing
- No PPE shortages

## Faith Lutheran Response:

- Hold only online services
- Weddings, funerals etc will be limited to 10 people
- Small groups meet online
- Office functions are minimal with proper precautions (disinfecting, social distance, etc) Any visitors must sign in and wear a mask.
- Church Council may meet with 10 or less people with masks and proper disinfecting
- High risk individuals (people over 60 and with underlying conditions) should consider staying home

## Phase Two Happens When:

- Several weeks of improving conditions
- Widespread testing
- Contact tracing
- No PPE shortages

## Faith Lutheran Response:

- Continue to hold online services
- Drive-in service may occur on select Sundays
- In person Worship viewing will be evaluated with capacity/guidelines determined
- Weddings, funerals etc will be limited capacity with guidelines
- Small groups may meet at church with guidelines
- Authorized outside groups may meet with guidelines
- Office visits by appointment
- High risk individuals (people over 60 and with underlying conditions) should consider staying home

## Phase Three Happens When:

- Several more weeks of improving conditions

## Faith Lutheran Response:

- Continue to hold online services
- In person worship will be evaluated and capacity/guidelines determined
- Small groups may meet with continued precautions and guidelines
- High risk individuals (people over 60 and with underlying conditions) should consider staying home
- Office functions may be more regular

## Phase Four Happens When:

- A vaccine is developed or it is recommended by the CDC that gathering is again safe

## Faith Lutheran Response:

- Normal operations may begin
- Attention to disinfecting will continue
- Evaluation of certain practices will need to happen
- High risk individuals (people over 60 and with underlying conditions) need to assess their safety
